Supplemental Declaration under 37 C.F.R. § 1.67(a)(1)

This communication is being filed concurrently with a Request for Reconsideration of a Restriction Requirement under 37 C.F.R. § 1.143, a Preliminary Amendment, and an Information Disclosure Statement in connection with the above-referenced application. Pursuant to 37 C.F.R. § 1.67(a)(1), a Supplemental Declaration is filed herein to correct a deficiency and inaccuracy present in the earlier filed declaration for the instant application.

The instant application was filed on November 5, 2001 as a continuation of the international application number PCT/US99/13800. It correctly named both Bruce L. Roberts and Srinivas Shankara as inventors. A declaration under 37 C.F.R. § 1.63 was not submitted at the date of filing.

A Notice to File Missing Parts of Nonprovisional Application was issued for the instant application by the Office on March 25, 2002. The Notice required submission of a properly executed oath or declaration under 37 C.F.R. § 1.63. Responsive to this Notice, Applicants submitted an executed declaration on May 24, 2002, which through an administrative error failed to properly include Srinivas Shankara as an inventor. Despite this administrative error on Applicants' part, the Office issued an Updated Filing Receipt on July 8, 2002.

To correct this unintentional administrative error, Applicants are filing herein a Supplemental Declaration under 37 C.F.R. § 1.67(a)(1). This declaration supercedes the previously filed declaration by correctly including Srinivas Shankara. It has been signed by all the inventors in the instant application in accordance with 37 C.F.R. § 1.67(a)(1).

No fee is deemed necessary in connection with the filing of this communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 07-1074.

Respectfully submitted,

November 25, 2003
